**SERVICE CLASSIFICATION NO. 12 - Continued**

**DUAL-FUEL SALES SERVICE (DFSS) - Continued**

**Availability of Service**

Service shall be provided in accordance with the terms of this Service Classification for any use of gas by a Customer who:

- (1) maintains operable dual-fuel facilities capable of supplying the entire requirements of the equipment (except for air-conditioning equipment) with gas or an alternate fuel, or can utilize electricity or another energy source to supply the energy requirements of the premises otherwise supplied directly or indirectly by gas,
- (2) agrees to switch its equipment from gas to an alternate fuel or alternate energy source and maintains appropriate control devices, in accordance with the Company's Sales and Transportation Operating Procedures, and
- (3) meets the requirements of this Service Classification, the Company's Sales and Transportation Operating Procedures, and other applicable provisions of this Rate Schedule.

An SC 12 Rate 1 Customer who commences service on or after January 1, 2014 ("New Rate 1 Customer"), must have the ability to burn a minimum of 100,000 therms annually, and must use at least 90,000 therms annually. New Rate 1 Customers who use less than 90,000 therms in any two consecutive years will be transferred to their otherwise applicable firm sales or firm transportation service. Any interruptible customer being served under SC 12 Rate 1 who becomes a firm service customer for any reason on or after January 1, 2014, and then returns to interruptible service, will be considered a New Rate 1 Customer and will be subject to the minimum usage requirements stated above.

Requirements (1) and (2) above do not apply to Customers taking service under the Shut-Down Option.

Applications under this Service Classification shall not be accepted where the Company determines, in its sole discretion that the requirements of existing Customers and Company gas use may not leave sufficient gas available for use by others.
