###### (A) Where the Customer Establishes the Contract Demand

- (1) A Customer who chooses its own Contract Demand may revise the Contract Demand by giving written notice to the Company, which must be received no less than ten days before the beginning of the first billing period for which the revised Contract Demand shall be applicable. A Customer may revise its Contract Demand downward once every 12 months if the Customer demonstrates, based on an engineering analysis submitted to the Company, that electricity-consuming equipment is removed or abandoned in place or that permanent energy-efficiency or load-limiting equipment is installed. No retroactive adjustment will be made for a reduction in the Contract Demand level. A Customer may revise its Contract Demand upward at any time for a prospective billing period.
- (2) The Company has final authority to approve or modify the Contract Demand for all accounts, including accounts supplied by a generating facility under General Rule 20.2.1(B)(7) or General Rule 20.2.1(B)(8), based on the principles used by Company to establish Contract Demand pursuant to General Rule 20.4.3(B).
