**SERVICE CLASSIFICATION NO. 1 - Continued**  
**GENERAL SERVICE**

**Special Provisions**

- A. This Service Classification shall be applicable only where the entire steam requirements for the connected load are supplied by the Company's steam system. Service will not be available under this Service Classification to Customers who utilize both steam supplied by the Company's steam system for any purpose and another energy source for the same purpose.
- B. A Customer may request a temporary discontinuance of service by notifying the Company in writing at least five days in advance of the date on which each temporary discontinuance is to begin specifying the date on which service is to be discontinued and the date on which service is to be resumed. The Company may elect not to physically disconnect service at the service valve. In the event that a Customer takes service during a temporary discontinuance period the Customer will be billed in accordance with this Service Classification.
- C. For Riders that may be applied to this Service Classification, see General Information Section 7.
- D. For form of application under this Service Classification, see General Information Section 10.
