

PSC NO: 4 - Steam
Consolidated Edison Company of New York, Inc.
Initial Effective Date: 02/24/2013

Leaf: 105
Revision: 6
Superseding Revision: 5

SERVICE CLASSIFICATION NO. 6 - Continued TRANSPORTATION SERVICE

Rate IV

Applicability: To Customers who would otherwise be served under Rate II of Service Classification No. 3 for their steam requirements.

Customers will be transferred to Rate II of this Service Classification if they demonstrate, based on an engineering analysis submitted to the Company, that steam-consuming equipment is removed or that permanent energy-efficiency or load-limiting equipment is installed, so that the Customer cannot use more than 12,000 Mlb of steam over 12 consecutive monthly billing periods. No retroactive adjustment will be made for a change in use.

	Through <u>9/30/2013</u>	10/1 – <u>12/31/2013</u>	Effective <u>1/1/2014</u>
Contract Demand Charge (per Mlb per hour of the contract demand in each monthly billing period)	\$1,110.21	\$1,041.00	\$908.49
Usage Charge (per Mlb of steam in each monthly billing period) for under-deliveries, as described below:	\$25.779	\$24.799	\$24.839
The Usage Charge is applicable to the difference between (a) monthly metered Mlb input to the Company's steam system by the Customer's third-party supplier, adjusted for 13.5% system losses and (b) the Customer's monthly metered Mlb usage. If the third-party supplier serves more than one Customer, each Customer will be subject to the Usage Charge for the product of the third party supplier's total under-delivery amount and the ratio of that Customer's total metered usage to the total metered usage of all Customers served by the third-party supplier, unless the third-party supplier otherwise specifies to the Company in writing, in advance, each Customer's allocation of the total steam deliveries.			
Customer Charge (per month)	\$2,633.74	\$2,411.10	\$3,202.07
