

PSC NO: 3 - WATER

LEAF: 59

COMPANY: HERITAGE HILLS WATER-WORKS CORPORATION

REVISION: 0

INITIAL EFFECTIVE DATE: November 30, 2010

SUPERSEDING REVISION:

E. Adequacy of Customer's Facilities

Neither by inspection nor non-rejection, nor in any other way, does the Company give any warranty, expressed or implied, as to the adequacy, safety or characteristics of any structures, equipment, pipes, appliances or devices owned, installed or maintained by the customer, or leased by the customer from third parties.

F. Cross Connection to Other Sources Prohibited

No pipe or fixtures with the names of the Company shall be connected with pipes or fixtures supplied with water from any other source nor any apparatus which may endanger the quality of the Company's water supply.

G. Interference with Company Property Prohibited

No person is permitted to turn the water on or off at any street valve, corporation stop and curb stop, or other street connection, or disconnect or remove any meter without the consent of the Company.

H. Frost Provision

Extension of pipe line facilities are not normally made when the ground in which such pipes and connections are required to be laid, shall be frozen or shall otherwise present serious obstacles to laying the same.

I. Discontinuance of Service for Violation of Rules (Non-Residential)

Service may be discontinued for any one of the following reasons:

- (a) Use of water other than represented in application or through branch connections on the street side of the meter or place reserved therefore.
- (b) Willful waste or use of water through improper and imperfect pipes, or by any other means.
- (c) Tampering with any service pipe, seal, meter or any other appliance owned by the Company.
- (d) Non-payment of bills for water or services rendered by the Company in accordance with this schedule.
- (e) Cross-connecting pipes carrying water supplied by the Company with any other source of supply or with any apparatus which may endanger the quality of the Company's water supply.
- (f) Refusal of reasonable access to the property for the purposes of inspecting fixtures or piping or for reading, repairing, testing or removing meters.
- (g) Sub-metering or reselling water.
