S. BACK OUT CREDIT

Customers served under Service Classification Nos. 1, 2, 3, 6 and 13 and taking service under the Retail Access Program will receive a Back Out Credit from Central Hudson. The Back Out Credit is designed to represent certain costs that Central Hudson no longer incurs to serve retail access customers. The Back Out Credit will appear as a separate line-item on eligible customers' bills and will be calculated by applying the appropriate credit rate to each eligible customer's energy deliveries (kWh). The Back Out Credit rates are as follows:

<u>Service Classification Nos.</u>	<u>Back Out Credit</u>
1, 6	(\$0.0040) per kWh
2 Non-Demand	(\$0.0040) per kWh
2 Demand	(\$0.0030) per kWh
3	(\$0.0020) per kWh
13	(\$0.0005) per kWh
