GENERAL INFORMATION

23. Wind Electric Service Options (Cont'd.)

D. Remote Net Metering (Cont'd)

2. Customer Requirements and Eligibility (con't)

- d. Projects that have completed applications for grants in NYSERDA's NY-Sun MW Block Program for projects sized at more than 200 kW; or
- e. Projects that a State, municipal, district, or local governmental entity has solicited through a Request for Proposals or a Request for Information issued in conformance with applicable law.

2) To retain the monetary crediting, a project must enter service by the date specified in the NYSERDA PONs in 1).e or NY-Sun MW Block Program for projects sized at more than 200 kW, 1).d, or another governmental entity process, as that date may be extended by the relevant governmental entity, or by December 31, 2017 if no date is specified by a governmental entity

3) Monetary credits shall remain in effect for a term of 25 years from the later of: April 17, 2015 or the project in-service date.

3. Enrollment and Change Period

After the customer's initial application, the enrollment and change period is from January 1 through January 31. Any changes shall be effective with the initial Host Account billing after March 1.

Remote Net Metering customers may submit a change request form annually during the change period to designate additional Satellite Accounts or delete existing active Satellite Accounts. The customer may also change the portion (percentage) of excess to remain at the Host Account once per year.

4. Calculation and Application of Net Metering Credits

Upon the Company's determination that the customer has taken service under this Section 23 while in violation of the conditions of service set forth in this Schedule, the customer shall forfeit any positive balance accrued during the annual period in which the violation occurred.
