**SERVICE CLASSIFICATION No. 3 - Continued**

Special Provisions:

- (a) A Customer has the option, with the consent of the Company, of paying for service taken under this classification for a limited period in equal monthly amounts based on the application of the rate to the estimated usage during the period. At the end of this period, or at the discontinuance of service if prior thereto, the Customer shall pay or be given credit for the difference between the amount paid and the charges for the actual usages under this rate. This payment or refund shall be made under such arrangements as may be agreed upon by the Customer and the Company and in accordance with Part 11, Subchapter B, Chapter I of 16NYCRR.
- (b) New gas service will be supplied under this Service Classification upon determination by the Company that the total rated hourly Btu input to supply the gas-fired equipment installed for such use does not exceed 2,500,000 Btu per hour.
- (c) Exemption from the limitation provision set forth in Special Provision (b) hereof will be granted by the Company provided that a contribution payment necessary for required service laterals and or system reinforcement is submitted prior to the commencement of gas service by the applicant for such gas service. If a customer switching to this service classification from a non-firm service classification, this contribution can be an upfront contribution or a monthly surcharge as explained on Leaf No. 431.1.
- (d) If a customer taking service under Service Classification No. 5A, 6C, 6G, or 6M switches voluntarily to service under Service Classification No. 3, that Customer will be precluded from returning to SC 5A or SC 6 for twelve months from the effective date of the switch.
