- (1) Suitability of the equipment including its size and installation must be approved by the Company;
 - (2) No more than 700 Customers will be accepted in total;
 - (3) Service furnished under this Rider will be restricted to the off peak period of the entire 48 hours of Saturday and Sunday and Monday through Friday 10:00 P.M. to 10:00 A.M.;
 - (4) The equipment to be served will be permanently connected by the Customer to an electric circuit used solely for the equipment;
 - (5) The Company will furnish and install a watt-hour meter and time clock on a separate circuit in order to restrict service to the off peak period as stated in (3) above;

- (E) A Customer who takes service under Rate III of this Service Classification and registers a Plug-in Electric Vehicle ("PEV") with the Company will receive a price guarantee for a period of one year commencing with the first full billing cycle after the Customer registers the PEV with the Company. Under the price guarantee, the Customer will receive a credit following the one-year period for the difference, if any, between what the Customer paid and what the Customer would have paid under Rate I rates over that one-year period. The comparison (inclusive of the Increase in Rates and Charges) will be made on a total bill basis for Full Service Customers and on a delivery-only basis for Retail Access Customers.
- (F) During the August 2014 cycle billing month, each account enrolled in the low-income program will receive a one-time credit of \$2.00.
