Application for AMR Opt-Out

CENTRAL HUDSON GAS & ELECTRIC CORPORATION

APPLICATION/AGREEMENT TO OPT-OUT OF THE INSTALLATION OF AN AMR METER

Date _____, 20__

THE UNDERSIGNED applicant ("Applicant") hereby makes application to, and enters into an agreement with, CENTRAL HUDSON GAS & ELECTRIC CORPORATION ("Company") to Opt-Out of the installation of an AMR meter at their service address located at _____. Applicant is Company customer taking service at _____. Customer is taking non-demand electric and/or natural gas service pursuant to Service Classification Nos. 1 or 2 under P.S.C. No. 15 – Electricity and Service Classification Nos. 1, 2, 6, 12 or 13 under P.S.C. No. 12 – Gas, as both of these tariffs may be modified or superseded as approved by the New York State Public Service Commission ("Commission").

Applicant agrees to comply with the provisions of this Agreement and the Rules applicable thereto as set forth in the Company's tariffs, publicly available at the Commission's website at www.dps.ny.gov. In particular, Applicant requests that the Company not install, or, if already installed, remove an AMR meter at _____ and install a non-AMR electronic digital meter, or other non-AMR meter approved for installation for Applicant by the Commission. Applicant understands and agrees that the installation of a non-AMR meter may cause Applicant to incur costs for which Applicant alone is responsible. If the Applicant's meter is located inside the premises of the service address, Applicant agrees that Applicant shall be solely responsible for all costs to move the existing inside meter to an outside location designated by Company. Applicant and Company agree that Company shall not install a non-AMR meter until an outside meter location has been established.

Applicant understands and agrees that the installation of a non-AMR meter causes the Company to incur incremental costs not associated with the installation and operation of an AMR meter. The Commission has approved recovery of the incremental costs associated with the installation and operation of a non-AMR meter through fees charged to Applicant. Applicant agrees that it will pay all approved fees associated with the installation and operation of a non-AMR meter as the Commission may approve and amend the fees from time to time.

The fee schedule is:

| Service | Fee | Frequency |
|--|----------|-----------|
| Meter change fee, electric meter only | \$49.00 | one time |
| Meter change fee, gas meter only | \$89.00 | one time |
