## GENERAL RULES

### 25. Supply and Supply-related Charges and Adjustments

All Customers purchase power and energy from the Company unless (a) service is taken under the Retail Access Program, SC 11 or the PASNY Rate Schedule, or (b) the power and energy is supplied by NYPA under Special Provision G of SC 9.

Customers who purchase power and energy from the Company (i.e., Full Service Customers) are subject to the following charges and adjustments:

- the Market Supply Charge;
- Adjustment Factors - Market Supply Charge (except for Customers served under Rider M); and
- the Merchant Function Charge.

Definitions of terms used in General Rule 25:

“Public Policy Contracts” include contracts that are entered into by the Company for electricity in support of public policy goals, such as system reliability, environmental considerations, fuel diversity, or market power mitigation, consistent with the order of the Public Service Commission, dated August 25, 2004, in Case 00-M-0504.

“Purchased Power Contracts” include contracts for the purchase of power from non-utility generators (“NUG”s) and other power purchase contracts.

“Company-owned Generation Assets” include gas turbines and the share of Con Edison’s steam/electric units that are assigned to the electric system, including the East River Complex.
