Re: Case 17-W-0528 - Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of SUEZ Water Owego-Nichols Inc.

Dear Secretary Burgess:

Pursuant to Ordering Clause No. 3 and in accordance with the terms of the Joint Proposal Concerning the Rates of SUEZ Water Owego-Nichols Inc. in Case 17-W-0528 issued and effective August 1, 2018, the Company was required to file tariff changes as are necessary to effectuate the terms of this order for the rates in the rate year beginning August 1, 2018.

The Company subsequently requested and was granted additional time to change the frequency of certain customer class billing from quarterly to monthly so as to allow Customer Service sufficient time to communicate to all customers about the change and also allow Business Technology Service adequate time to implement the change in the Company's billing system.

The transition of the aforementioned customers from quarterly to monthly billing is now complete. The Company hereby submits an updated tariff removing the quarterly billing rates that had been temporarily approved. Publication of new rates was made in a prior compliance filing pursuant to Ordering Clause No.7 of the abovementioned proceeding.

Yours Truly,
