Re: PSL §18-a(6): New York State Assessment Surcharge (NYSA)
Case 09-M-0311

Dear Secretary Burgess:

In compliance with the Commission's Orders in Case 09-M-0311 ("Order"), issued and effective June 18, 2014 and April 17, 2015, Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company"), hereby files the attached statement to become effective on July 1, 2017.

P.S.C. No. 15 – Electricity

Statement of New York State Assessment Surcharge – NYSA 16

The purpose of this filing is to revise the NYSA rates effective July 1, 2017 to reflect:

- the 2017/2018 Temporary State Energy & Utility Service Conservation Assessment pursuant to the Statement of Estimated Assessment issued on February 1, 2017;
- the reconciliation of the NYSA for the months of July 2016 through June 2017 (which includes an estimate for June 2017); and,
- the balance of authorized carrying charges as of May 31, 2017.

These calculations have been made pursuant to the provisions approved by the Public Service Commission as contained in General Information Section 36.F of P.S.C. No. 15 – Electricity. It should be noted that the over collection of approximately \$0.683 million is primarily the result of the \$0.438 million, or 10.9%, decrease in the 2016/2017 assessment charged to Central Hudson as detailed in the Statement of Revised Assessment issued August 10, 2016. This Revised Assessment was issued subsequent to the annual filing and implementation of the NYSA surcharge factors effective July 1, 2016.

Work papers related to the aforementioned reconciliation and factor development have been sent to Rosanne Maiello. Questions related to this letter should be directed to Jay Tompkins at (845) 486-5203 or jtompkins@cenhud.com.

Yours very truly,

Anthony S. Campagiorni
