Re: Cases 17-E-0459 / 17-G-0460 Compliance Filing
in the Proceeding on Motion of the Commission as to Rates, Charges,
Rules and Regulations of Central Hudson Gas & Electric Corporation
for Electric and Gas Service

Dear Secretary Burgess:

Pursuant to Public Service Commission Order, issued and effective June 14, 2018, in the above captioned proceedings, Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company") hereby files the following amended tariff leaf on August 14, 2018 to become effective on August 15, 2018.

P.S.C. No. 15 – Electric
6th Revised Leaf No. 163.5.35

The purpose of this filing is to correct the time designated as off peak for Service Classification 6, the 5 hour peak period Time of Use program, within the Excelsior Jobs Program rate schedule. This leaf will supersede the revisions that were originally filed on June 29, 2018 that inadvertently included a 5 hour off peak time period instead of a 19 hour off peak time period. The Company is asking for this tariff leaf to become effective on August 15, 2018 on one day's notice, on a temporary basis pursuant to the aforementioned order.

Since the Company is currently complying with the filing requirements of §66(12)(b) of the Public Service Law from the June 29, 2018 filing, we would ask that an additional publication due to these tariff changes be waived.

Questions related to this filing should be addressed to Darlene Clay at dclay@cenhud.com or 845-486-5466.

Very truly yours,

Anthony S. Campagiorni
Vice President of Regulatory and Governmental Affairs
