**Re: Matter #15-00037 - 2014 Annual Audit Filings of Water Escrow Accounts
Cancellation of Capital Reserve Account Statement No. 1 – P.S.C. No. 2 - Water**

Dear Secretary Burgess:

The purpose of this letter is to request the cancellation of Debora A. Lambert d/b/a Green Meadow Park Water Company's Capital Reserve Account Statement No. 1 (PSC No. 2 - Water). The company was authorized to establish the capital reserve account in Case 12-W-0041 to recover the cost of extraordinary mandated expenses incurred in 2010, and for future extraordinary repairs and/or plant improvements. Since the account was authorized, the company has recovered the costs it incurred in 2010 and the collection of the surcharge has ceased. To date, the capital reserve account has a zero balance.

The company currently has financing available to make extraordinary repairs and/or plant improvements should they be needed. Additionally, the company is planning to file for a rate increase in the near future.

Enclosed is Cancellation Supplement No. 2 to P.S.C. No. 2 – Water, Effective June 27, 2015, in compliance with the requirements of the Public Service Commission of the State of New York. Supplement No. 2 cancels Capital Reserve Account Statement No. 1 . Waiver of newspaper publication is requested for the supplement.

Should you have any questions, please contact me at (845) 473-5700.

Sincerely,

Debora Herrmann
President
