RE: Case 15-E-0050, Con Edison Electric Rate Case

Dear Secretary Burgess:

On January 30, 2015, Consolidated Edison Company of New York, Inc. (the “Company”) filed with the Public Service Commission (the “Commission”) amendments to its electric rate schedules, P.S.C. No. 10 – Electricity and P.S.C. No. 12 - Electricity. The tariff leaves were issued with an effective date of March 1, 2015. Those leaves were suspended through June 28, 2015, pursuant to the Commission’s Order issued and effective February 23, 2015.

By Order Extending Suspension Period, issued and effective March 3, 2015, the Commission further extended the suspension period through July 28, 2015. Accordingly, the Company is issuing Supplement No. 21 to P.S.C. No. 10 – Electricity and Supplement No. 13 to P.S.C. No. 12 – Electricity to suspend the tariff leaves through July 28, 2015. Pursuant to Ordering Clause 2 of the Order Extending Suspension Period, these Supplements are filed on not less than one day’s notice to become effective on June 1, 2015.

Sincerely,

/s/ William A. Atzl, Jr.
Director
Rate Engineering Department
