Dear Commissioners:

The enclosed Statements, which are listed below, are issued by Central Hudson Gas & Electric Corporation to become effective on December 11, 2014, the billing date for the eighth batch of the Company's December 2014 billing cycle, and are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York regarding changes in adjustments.

PSC No. 15 Electricity

Statement of Market Price Charge and Market Price Adjustment	MPC - 168
Statement of Miscellaneous Charges	MISC - 165
Statement of Purchased Power Adjustment	PPA - 165

The factors included in MPC Statement No. 168 are applicable to energy supplied by the Company and are based on the actual commodity costs required to serve the Company's full service customers during the month of November. MPC Statement No. 168 includes Market Price Adjustment (MPA) factors corresponding to the reconciliation of energy costs for the month of August 2014, which were collected through the MPC and for which collections were completed in November. MPC Statement No. 168 also includes charges related to the Company's Hourly Pricing Provision. The current MPC Statement also includes prior period adjustments related to revisions in Hydro values.

The factors included in MISC Statement No. 165 are applicable to all energy delivered by the Company and are intended to refund to or collect from customers the net benefit or cost of non-avoidable, variable energy related revenues and costs associated with the Company's remaining generation facilities and from mandatory purchases from Independent Power Producers for the month of November. MISC Statement No. 165 also includes a reconciliation component for August 2014 costs/benefits. The current MISC Statement also includes prior period adjustments related to revisions in Hydro values as well as a prior period adjustment to reflect half of the year to date benefit of capacity. The remaining half will be reflected in the subsequent MISC statement.

The factors included in PPA Statement No. 165 are applicable to all energy delivered by the Company and are intended to refund to or collect from customers the reconciliation component for costs/benefits of the Company's Purchase Power Agreement with the new owners of the nuclear generating plant previously owned by the Company, as well as refund to or collect from customers any payments made under the Revenue Sharing Agreement with the new owners of the nuclear generating plant previously owned by the Company.

Supporting exhibits have been filed with the Records Access Office at the Public Service Commission via DMM.

Yours very truly,
