Dear Commissioners:

The enclosed Statements, which are listed below, are issued by Central Hudson Gas & Electric Corporation to become effective on November 8, 2013, the billing date for the eighth batch of the Company's November 2013 billing cycle, and are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York regarding changes in adjustments.

PSC No. 15 Electricity

Statement of Market Price Charge and Market Price Adjustment	MPC - 154
Statement of Miscellaneous Charges	MISC - 151
Statement of Purchased Power Adjustment	PPA - 151

The factors included in MPC Statement No. 154 are applicable to energy supplied by the Company and are based on the actual commodity costs required to serve the Company's full service customers during the month of October. MPC Statement No. 154 includes Market Price Adjustment (MPA) factors corresponding to the reconciliation of energy costs for the month of July 2013, which were collected through the MPC and for which collections were completed in October. MPC Statement No. 154 also includes charges related to the Company's Hourly Pricing Provision.

The factors included in MISC Statement No. 151 are applicable to all energy delivered by the Company and are intended to refund to or collect from customers the net benefit or cost of non-avoidable, variable energy related revenues and costs associated with the Company's remaining generation facilities and from mandatory purchases from Independent Power Producers for the month of October. MISC Statement No. 151 also includes a reconciliation component for July 2013 costs/benefits. Pursuant to the September 20, 2013 Order and subsequent September 27, 2013 tariff filing in C. 13-E-0232, the Constellation Commodities refund in the amount of \$1,608,600.42 has been included in the factor developed on MISC Statement No. 151.

The factors included in PPA Statement No. 151 are applicable to all energy delivered by the Company and are intended to refund to or collect from customers the reconciliation component for costs/benefits of the Company's Purchase Power Agreement with the new owners of the nuclear generating plant previously owned by the Company, as well as refund to or collect from customers any payments made under the Revenue Sharing Agreement with the new owner's of the nuclear generating plant previously owned by the Company.

Supporting exhibits have been filed with the Records Access Office at the Public Service Commission via DMM.
