Re: Proposed Amendment to Verizon New York Inc. Tariff P.S.C. No. 15

Dear Secretary Burgess:

Verizon New York Inc. ("Verizon") submits the following tariff amendment to be effective on May 1, 2014.

P.S.C. No. 15--COMMUNICATIONS
Section 1
1st Revised Page 53
1st Revised Page 54

The proposed revision implements § 1(C)(3)(e) of Verizon's Tariff P.S.C. No. 15, by removing from the Tariff provisions that addressed the circumstances under which Verizon could offer wireless service as its sole service offering in an area. The condition set forth in § 1(C)(3)(e) has now been met, in that Verizon has "complete[d] construction of a wireline network in western Fire Island, and service over that network is generally available to all customers in western Fire Island."

The Company respectfully requests that the requirements of newspaper publication be waived since no customers will be adversely impacted by this change.

Very truly yours,

A handwritten signature in black ink that reads "Keefe B. Clemons".
