Dear Secretary Burgess:

On January 29, 2016, Consolidated Edison Company of New York, Inc. (the “Company”) filed with the Public Service Commission (the “Commission”) amendments to its electric rate schedules, P.S.C. No. 10 - Electricity and P.S.C. No. 12 - Electricity. The tariff leaves and addendum were issued with an effective date of February 28, 2016. By Notices issued by the Secretary of the Commission, dated February 10 and June 7, 2016, those leaves and addendum were suspended through June 26 and December 26, 2016, respectively.

The Commission’s Order Approving Extension of Maximum Suspension Period of Major Rate Changes, issued and effective November 22, 2016, has extended the suspension period through January 26, 2017. Accordingly, the Company is submitting Supplement No. 40 to P.S.C. No. 10 – Electricity and Supplement No. 20 to P.S.C. No. 12 – Electricity further suspending the tariff leaves and addendum through January 26, 2017.
