RE: Rate Increase Request

Dear Secretary Burgess:

Enclosed for your review and analysis is the following:

1. Three Year Comparative Income Statement
2. A Revised Tariff Leaf 12 containing our proposed rate, to become effective October 1, 2016.

The total annual increase is calculated to be \$66,325.00 representing a 126% increase over the current revenue generated with the current rate structure. This increase is necessary to cover newly installed property taxes of Orange County and the town of Minisink.

Waiver of newspaper publication is requested for the proposed minor rate filing as we will individually notify our customers of the proposed rate change.

Yours truly,

Mark Rea
