RE: Case 20-M-0082 – Proceeding on Motion of the Commission Regarding Strategic Use of Energy  
Related Data

Dear Secretary Phillips:

The attached leaves and statement, issued by KeySpan Gas East Corporation, d/b/a National Grid (“Company”), are being transmitted for filing in accordance with *Order Denying Rehearing, Providing Clarification and Confirming Tariff Modifications* (“Order”) of the Public Service Commission (“Commission”), State of New York issued on November 18, 2021 in the above case number.

Second Revised Leaf No. 119.53.1

Third Revised Leaf No. 119.54

Statement of Community Choice Aggregation No. 2

To P.S.C. No. 1 Gas

Effective: January 17, 2022

This filing is made in compliance with Ordering Clause 2 of the Order which directed utilities to file tariff amendments to remove all established fees associated with the release of customer data, except those cost-based fees associated with requests for historical energy usage data in excess of 24 months on not less than one day’s notice to become effective on January 17, 2022. The attached leaves and statement comply with this directive and set forth the revisions to the Community Choice Aggregation (“CCA”) Program and Statement of Community Choice Aggregation No. 2.

In the Company’s tariff compliance filing on August 27, 2021, Leaf No. 119.53.1 was inadvertently omitted. It is included in this filing as it contains the beginning of the Community Choice Aggregation Program and is necessary to be included.

Also, in accordance with Ordering Clause 3 of this order, the requirements of PSL §66-12 and 16NYCRR 720.8.1 concerning newspaper publication of the proposed tariff amendments described in Ordering Clause 2 shall be waived.

Please contact the undersigned of any action taken regarding this filing.

Sincerely;

/s/ Dawn Herrity
