Dear Commissioners:

Re: Case 07-M-0548:
Proceeding on Motion of the Commission
Regarding an Energy Efficiency Portfolio Standard ("EEPS")

In compliance with the Public Service Commission's June 23, 2008 Order in the above referenced proceeding, Central Hudson Gas & Electric Corporation hereby files the following revised statement to become effective on October 1, 2008.

P.S.C No. 15 – Electricity

Statement of System Benefits Charge and
Renewable Portfolio Standard Charge

SBC - 11

The revision reflects the Commission's approval to augment the System Benefits Charge ("SBC") as reflected in Ordering Clause No. 1 of the above Order. Since the Company's electric rate schedule currently provides for the collection of the SBC, no tariff amendments are required.

Pursuant to Ordering Clause 6 of the above referenced Order, the requirements of 66(12)(b) of the Public Service Law as to newspaper publication of these amendments have been waived.

Questions related to this filing should be directed to Lauren M. Guido at (845) 486-5761.

Yours very truly,

Michael L. Mosher
