Dear Commissioners:

The enclosed Statement, which is listed below, is issued by Central Hudson Gas & Electric Corporation to become effective on September 11, 2003 and supersede the statement filed with the Commission by letter dated September 8, 2003.

PSC No. 15 Electricity

Statement of Market Price Charge

MPC - 25

This statement was updated to include revisions in the data supplied by the NYISO related to energy purchases and energy costs that are included in the Company's calculation of the market price charge.

Supporting exhibits have been sent to the Commission's staff.

Yours very truly,  
Arthur R. Upright
