Re: Rolling Meadows Water Corporation - Application to Increase Rates

Dear Secretary Brilling:

Please accept this package as Rolling Meadows Water Corporation's formal request to increase annual revenues by \$87,307 or 19.48%. It is proposed that these additional revenues be collected from all customers on an equal percentage basis, based on metered usage with an effective date of February 1, 2013.

For Staff's review, I have included the following items:

- 1) Our comparative and proposed projected income statement with discussions based on years 2009, 2010, and 2011.
- 2) Company background summary.
- 3) Water usage reports for each of the past 3 years.
- 4) Proposed Tariff Leaf No. 12, Revision 9

Additionally, estimates for two needed water main replacement projects in the Hurley system are enclosed. Also, the water storage tank at High Ridge is in need of replacement and is expected to cost approximately \$23,000. Funding for these projects need to be addressed.

Please contact me (845) 331-2201 with any questions or comments you might have and instruction on how I should proceed.

Respectfully submitted,

Jeff Vogt, President
