Re: Revenue Tax Surcharge Statement

Dear Commissioners:

In accordance with General Information, Section 30.B of P.S.C. No. 15 - Electricity, the Revenue Tax Surcharge Statement listed below is filed to become effective February 2, 2012.

P.S.C. No. 15 – Electricity

Statement of Effective Revenue Tax Surcharge                      -                      RTS 39

The purpose of this filing is to revise the revenue tax surcharge factors applicable to the MTA region to recover the MTA tax imposed on the Company during 2010.

The impact on our customers' bills within the MTA region, effective February 2, 2012, will be a decrease of approximately 0.01%.

It should be noted that a gas Revenue Tax Surcharge Statement has not been filed coincident with the electric statement, as a prior year adjustment caused the calculation of the 2010 gas liability to result in a small over collection of approximately \$7,000. As such, the MTA factors remain at zero, and the over collection shall be carried forward into a future period.

Yours very truly,

Michael L. Mosher
