Dear Acting Secretary Cohen:

RE: Case 13-E-0191 - Mohawk Municipal Commission

Due to the unfortunate circumstances created by this summer's flooding in the Mohawk Valley, the Mohawk Municipal Commission has elected to withdraw its Rate Filing, originally dated May 1, 2013, with an initial effective date of September 1, 2013. This original filing was postponed to November 1, 2013, and then subsequently to January 1, 2014. Attached for filing with the Commission is Cancellation Supplement No. 3, PSC No. 2 Electricity in Case No. 13-E-0191.

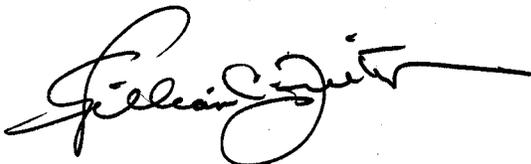

As the Mohawk Municipal Commission has been concentrating its efforts on flood related matters, it became difficult to supply the Commission's Staff with requested information related to the Rate Filing. It is anticipated that the Mohawk Municipal Commission will again pursue a Rate Filing after completion of its fiscal year end May 31, 2014.
