GENERAL INFORMATION

COMMUNITY DISTRIBUTED GENERATION ("CDG")

29. In accordance with the orders in Case 15-E-0082 issued July 17, 2015 and October 16, 2015, Rule 29 sets forth the requirements of the Community Distributed Generation ("CDG") Program which consists of a CDG Host facility eligible for net metering which is in conformance with the net metering requirements of PSL 66-j and 66-l. The size of the generation must be limited in size consistent with the above statutes and located behind a host meter under either a non-residential demand or non-residential non-demand service classification. The CDG project will consist of a CDG Host and associated CDG Satellites who shall own or contract for a portion of the credits in excess of load accumulated at the CDG Host's meter.

Phase 1 of the CDG Program will be in effect from October 26, 2015 through April 30, 2016 and will be available where: (a) the generating equipment is located in an Opportunity Zone as designated by the Company; or (b) a minimum of 20% of the associated CDG Satellites in a CDG project are residential customers enrolled in the Company's low income program which includes the Low Income Discount Program, Low Income Electric Discount Program and Low Income Electric Heating Discount Program

Phase II will commence on May 1, 2016 and will be available to any CDG Host within the Company's entire service territory.

29.1 Application of CDG Host

29.1.1 The CDG Host, by submitting a completed allocation request form to the Company, is certifying that its project meets all the criteria and requirements set forth by the New York State Public Service Commission in its order issued July 17, 2015 and October 16, 2015 in Case 15-E-0082, as may be amended from time to time by any future order(s) in this case.

29.1.2 A CDG Host must be a non-residential customer who owns ~~and~~ or operates farm waste, solar, wind, micro-hydroelectric, or fuel cell electric generating facilities and may be any of the following: a single entity (including the generating facility developer), an ESCo, a municipal entity (e.g., town or village), a for-profit business or a not-for-profit corporation, a limited liability company, a partnership, or some other form of business or civic organization. The CDG Host and associated CDG Satellites must be located within the same NYISO load zone and within the Company's service territory.

29.1.2.1 A CDG Satellite account must have only one CDG Host account and shall not be a net metered customer, a remote net metered host or satellite account or take service under SC 7- Standby Service or SC-12-Special Contract Rates, in accordance with their individual contracts.

29.1.2.2 If the CDG Host account was previously a remote net metering customer as an energy only account and was grandfathered under the Transition Plan in Cases 14-E-0151/14-E-0422 to receive monetary crediting, conversion to a CDG Host will require that it surrenders its grandfathered status to receive monetary crediting and will be subject to volumetric crediting.

29.1.2.3 If the CDG Host account was previously established as a net metered Customer-Generator or Remote Net Metered Customer-Generator, it must forfeit any remaining kWh credits at the time it becomes a CDG Host.

29.1.3 The CDG Host will be responsible for building the CDG facility, interconnecting to the grid, and owning or operating the facility in conformance with the requirements of PSL 66-j (3)(e), (f) and (g) and 66-l (3)(e).

| <p><i>To be completed by ALL applicants:</i> The Public Service Law, Section 76, permits certain corporations or associations organized and conducted in good faith for religious purposes, including the operation by such corporation or association of a school, notwithstanding that secular subjects are taught at such school, certain community residences as defined in the Mental Hygiene Law, and posts or halls, owned or leased by a not-for-profit corporation that is a veterans' organization, to receive services at rates no greater than the rates charged to residential customers, (see the Additional Information section of this form for details). Residential rates are lower than commercial rates for most customers but not for every customer. If Niagara Mohawk denies the customer residential rates, the company shall, upon written request, inspect the applicant's premises and review the company's decision in light of the information obtained from such an inspection. The applicant may appeal Niagara Mohawk's denial of residential rates to the Public Service Commission.</p> | | | |
