SERVICE CLASSIFICATION NO. 2 (Continued)

7. Permanent Discontinuance

Upon not less than 90 days' prior written notice to Company, customer may request that any facility Facility be discontinued permanently. Company shall have the right to remove or retire-in-place the designated facilityFacility(s). The customer is required to compensate the Company for the facilityFacility(s) to be permanently discontinued. The compensation is specific to the facilityFacility(s) to be permanently discontinued and is comprised of three individual financial components; asset valuation, removal cost and system reconfiguration costs.

- a. Asset valuation shall be determined based upon the <u>applicable tax area asset category average of the Facility(s)</u> undepreciated book value, less any <u>facilityFacility(s)</u> salvage value. The Company will determine the <u>Facility(s) undepreciated book value</u> based upon the Company's plant records.
- b. Removal cost shall include all, but not be limited to, labor, material, transportation, administrative and general expenses, site restoration and other charges and adders applicable thereto. In the event permanently discontinued company facilities Facilities are replaced with other company facilities Facilities at the same time, the removal cost may be waived. Company owned HID facilities Luminaires that are changed to replaced with Company owned LED Light Source/Luminaire facilities Facilities will not require the customer to pay removal costs.
- c. System reconfiguration costs, if necessary, shall include, but not be limited to, all labor, material, transportation, administrative and general expenses and other charges and adders for the Company to perform any electric system reconfigurations required to maintain service to unaffected street light locations. <u>In situ replacement of Company-owned HID Luminaires with Company-owned LED Light Source/Luminaire Facilities will not require the customer to pay system reconfiguration costs.</u>

G. <u>Increase in Rates and Charges</u>

Reference General Information, Section IV.

DETERMINATION OF BILLING:

Reference General Information, Section IV.

A. <u>Minimum Charge</u>

1. <u>Unexpired Term</u>

The application of charges as defined under RATE for the duration of the unexpired term, utilizing the billing quantities effective at the time of termination notice, plus any balance due for service rendered. Reference General Information, Section IV.

2. Termination

The application of Permanent Discontinuance as defined under RATE, Other Charges and Credits, utilizing the billing quantities effective at the time of termination notice. Reference General Information, Section IV.
