1 Per Village Deputy Treasurer, these are the estimates made for the rate year
2 Increase in premiums based on actual health and dental premiums effective June 1, 2009, actual increase in premiums was $7 \%$.
3 The sick benefits accumulated are reflective of the entire years sick, personal, and vacation time.
4 The majority of the miscellaneous expense account is made of up $\$ 11,995$ of accounting department expenses,
$\$ 7,125$ of law department expenses, and $\$ 52,184$ of general office expense
5 The production rents amount is paid to National Grid for transmission expense
See PILOT Exhibit 7 for detailed calculation.
7 This amount was from the updated continuing property records including additions/deletions for the rate year and includes the additional depreciation expense that is necessary after moving 2,198,631 of CIP to operating property
8 Reflects a 3\% wage increase as per the union contract
9 This increase is due to the contracts for ARC Flash Assessment.
10 Rate year adjustments based on two prosposed projects within the Village of Springville. Revenue increase based on $48 \%$ gross profit Increase in PP-NYPA based on estimated square footage and comparable KWH consumption from similar projects.
11 The December estimate for the NYSERS payment for the electric fund is $\$ 25,065$.
