**GENERAL INFORMATION****IV. Forms for Gas Service (continued):****.1 Application and Contract (continued):****H. Interruptible Transportation Service Agreement (continued):**

3. Customer's term shall begin on \_\_\_\_\_ and shall expire twelve months thereafter unless otherwise terminated pursuant to Service Classification No. 7. This term will be extended for additional twelve month periods unless the Customer or National Grid has provided sixty (60) days prior written notice of termination. Upon such termination, the Customer shall pay for all service rendered through effective date of termination.
4. Customer warrants that all information provided to "National Grid" for the purpose of qualifying for service under Service Classification No. 7 is true and accurate and Customer acknowledges that such information has been provided to "National Grid" for the purpose of inducing "National Grid" to provide service pursuant to Service Classification No. 7;
5. The Customer acknowledges and agrees that the supply and transportation of Customer purchased gas to an existing Receipt Point(s) of the company's gas facilities shall be solely the responsibility of the Customer,
6. Customer is responsible for the costs associated with the installation and maintenance of 1) remote meter reading devices to the extent such cost exceeds the cost of non-remote meter reading devices and 2) any new facilities required for the company's provision of service to Customer pursuant to Special Provision (a) of Service Classification No. 7; If telemetering equipment is inoperative for customer controlled reasons for a period of time greater than eight weeks, the customer shall be returned to the appropriate sales rate for a minimum term of 12 months.
7. Customer is responsible for additional charges, including, but not limited to FERC filing fees and any pipeline imbalance penalty charges;
8. In the event that the Company calls on peaking supplies to serve firm customers or if the Company, at its sole discretion, determines that it is warranted to protect the reliability and safety of the system for firm Customers, the Company will interrupt service to all Customers on this service classification. The Company will endeavor to provide notification (within two hours) of this scheduled interruption. A Customer that continues to take gas after receiving notice of interruption by the Company may incur additional charges as contained in the Company's SC-7 Tariff and "National Grid" may take immediate action to terminate the Customer's gas supply;
