GENERAL INFORMATION

31. Excelsior Jobs Program (Cont'd)

D. INCREASE IN RATES AND CHARGES

The rates and charges under this rider, including any adjustments, are increased by the applicable effective aggregate percentage shown in Rule 4.I for service supplied the municipality where the customer is taking service.

E. SUPPLY SERVICE OPTIONS:

Excelsior Jobs Program customers may select one of the following electricity supply pricing options: ESCO Supply Service (ESS) or NYSEG Supply Service (NSS) as further described in the otherwise applicable service classification.

The Excelsior Jobs Program customer must choose the same Supply Service Option for its incentive load, non-incentive load, and all future Excelsior load at the facility.

F. OTHER

A qualified customer will pay a monthly service bill at the rates and charges under this rate for all kW or kWh in excess of a base amount of kW or kWh established for each monthly billing period.

- a. For an existing customer, the base amount of kW or kWh will be determined by the Company using an annual historical period. The customer may request an adjustment to the base amount if the customer has installed energy conservation measures pursuant to an energy efficiency program approved by the Commission.
- b. For a prospective customer, the base amount of kW or kWh will be zero.

If it is determined that the bill calculated under this provision exceeds the bill calculated under the otherwise applicable standard Service Classification rates, the customer will pay the lower of the two bills.

If the customer is receiving Empire Zone or Economic Development Zone discounts, such customer agrees to forfeit any prospective discounts received under the Empire Zone or Economic Development Zone program at any location or locations that qualify for Excelsior Jobs Program discounts as of the date the customer begins to receive Excelsior Jobs Program discounts.
