**SERVICE CLASSIFICATION NO. 7 - Continued**  
**RESIDENTIAL AND RELIGIOUS - HEATING**

**Special Provisions - Continued**

(C) Electric service will not be furnished under this Service Classification, and it is not available for religious purposes and uses or community residences and uses:

(1) Except as defined under Special Provision (A) above.

(2) Where any part of the premises used for such religious purposes is used regularly for business purposes, any activity operated for profit, or for purposes other than such religious purposes, as defined, unless the wiring is separate and the part used for non-religious purposes is metered separately and billed under another and appropriate Service Classification.

(D) The service furnished under Rate I and Rate II of this Service Classification, except as provided for under Special Provision (E), is available only when it is used by the Customer for the operation of electric space heating or electric space and water heating which is permanently installed and exclusively supplies all parts of the premises which the Customer elects to supply with space or space and water heating and no other space or space and water heating equipment is connected or available for use in any part of the premises.

The Customer's eligibility for service under this Service Classification shall not be affected by the existence on the premises of fireplaces or cooking stoves not fueled by electricity.
