SERVICE CLASSIFICATION NO. 2 - Continued
GENERAL - SMALL

Special Provisions – Continued

- (D) When a Customer has an account for service at each of no fewer than 100 different locations, each served under Rate I of this Service Classification, the Customer Charge per account will be reduced by 50 percent, provided all of the following criteria are met:
- (1) Service under each account is supplied exclusively for use of radio transceivers that are located on street lights or utility distribution poles.
 - (2) Service under each account is unmetered.
 - (3) The usage calculated for each location and to be billed on the corresponding account is less than 30 kilowatthours per month.

The Company will issue a single monthly bill for all the qualifying accounts eligible for a reduced Customer Charge under this provision.
