SERVICE CLASIFICATION NO. 15 - Continued
DELIVERY SERVICE TO GOVERNMENTAL AGENCIES

Special Provisions

- (A) Delivery Service to COWPUSA under this SC will not exceed 10 megawatts in the aggregate. A total of no more than forty Customers will be served under this SC plus the EDDS Rate Schedule.
- (B) Delivery Service under this SC incorporates by reference the EDDS Rate Schedule, including the Character of Service, Common Provisions, and Special Provisions sections thereof, except as expressly modified herein and except for the rates, terms, and conditions of service expressly stated herein. Riders that may be applied to this Service Classification are specified under General Rule 24 of this Rate Schedule.
- (C) All rates and charges under this SC will be subject to the “Increase in Rates and Charges” contained in the EDDS Rate Schedule. The Monthly Adjustment Clause and Adjustment Factor – MAC will not apply to the extent such charges do not apply under the EDDS Rate Schedule.
- (D) COWPUSA will make an allocation of power and associated energy for delivery to a Customer by the Company under this SC. That portion of a Customer’s total demand and energy usage that is served under this SC is determined in accordance with General Rule 11. The balance of the Customer’s total registered demand and the energy associated with such demand will be supplied and billed in accordance with that General Rule.
