GENERAL RULES

24. Service Classification Riders (Available on Request) - Continued

RIDER T – CRITICAL PEAK REBATE PROGRAM - Continued

D. Notification by the Company and Required Response

1. The Company will notify Customers and Aggregators by phone or e-mail, or both, in advance of the commencement of a Load Relief Period or Test Event, in accordance with the Company's operating procedures. The Customer or Aggregator shall designate in writing an authorized representative and an alternate representative to receive the notice. If an Aggregator is served under this Rider, only the Aggregator will be notified of the Load Relief Period or Test Event.
2. If the Company designates a Planned Event or a Test Event, the Company will provide advance notice at least 21 hours in advance of the event. The Company will again provide advance notice on the day of the event, usually two or more hours in advance.
3. If the Company designates an Emergency Event, notice will be given as soon as practicable. Participants are requested to provide Load Relief as soon as they are able.
4. If the Company calls a Test Event, participation is required during the Test period, which will not exceed one hour.
5. Participation under this Rider is voluntary. However, a Customer or Aggregator may be required to return equipment supplied by the Company if the participant fails to consistently provide the minimum kW of Load Relief specified in section E below.
