- (iii) Ten megawatts allocated to New York City pursuant to section (A)(2)(b)(i) will be allocated to Business Incubators and Business Incubator Graduates located in New York City, and two MW allocated under the New and Vacant Program will be reallocated to Business Incubators and Business Incubator Graduates located in Westchester County. Rate reductions will be provided to Business Incubators for up to a fifteen-year term, with an initial ten-year term of service at the percentage reduction specified in section (B)(2)(a), followed by a phase-out period of five years at which the percentage reduction specified in section (B)(2)(a) will be reduced by one-sixth each year so that the rate reductions shall be phased out completely after the Customer's fifteenth year of Rider J service. Rate reductions will be provided to Business Incubator Graduates for nonrenewable five-year terms, with no phase-out period.

Rate reductions provided to Business Incubator Graduates will not be transferrable to other premises, unless the Business Incubator Graduate moved to another premises due to reasons outside the recipient's control, including, but not limited to, a fire or other incident that renders the existing space uninhabitable, or a taking of the property by eminent domain. A Business Incubator Graduate who receives service under this Rider will continue to be eligible for service under this Rider for the remainder of its term if the Business Incubator Graduate remains at the same location and: (i) merges with another business, but does not change the name of its business; or (ii) changes the name of its business due to incorporation of the business, which was previously a sole proprietorship or partnership. Except as specified above, successor businesses and successor Customers will not be eligible to receive service under this Rider for any months remaining under the predecessor's term of service under this Rider.
