GENERAL RULES

24. Service Classification Riders (Available on Request) - Continued

RIDER J - BUSINESS INCENTIVE RATE - Continued

(B) Applicability – Continued

(3) Scope of Program - Continued

- (e) Customers who are located within 250 feet of a steam main in the Borough of Manhattan and receive allocations of power on or after April 1, 2008, under either the New and Vacant Program or the New York City Comprehensive Package Program, will receive a reduction in their delivery service kW and kWhr eligible for bill reductions under this Rider for the months of June through September if they have electric and/or hybrid electric chillers (“Electric Chiller Reduction”). The Company will determine the kW and kWhr portions of the Electric Chiller Reduction based on information supplied by the Customer, including the nameplate rating of the chilling equipment and equipment efficiency information (“cut sheets”).

For each month during the months of June through September, the Customer’s kW and kWhr Electric Chiller Reduction will be deducted from the allocation of power made under this Rider to determine the Customer’s load eligible for the bill reductions specified in section (B)(2); provided, however, that the reduction can never result in a negative allocation.
