GENERAL RULES

24. Service Classification Riders (Available on Request) - Continued

RIDER P – PURCHASES OF INSTALLED CAPACITY - Continued

C. Advance Notice of Service Curtailment

The Company will notify Customer of a service curtailment approximately two hours prior to the start of the service curtailment. The Company will also provide a day-ahead advisory of the service curtailment.

D. Payment for Service Curtailment

1. Capacity Payment Rate

Customer will be paid for capacity for each month in which the Customer is enrolled under the Rider. The payment amount for each month will be equal to the product of (1) the Installed Capacity Level and (2) the applicable payment rate per kilowatt of demand for the month, as set forth on the Statement of Installed Capacity Payment Rates.

The Statement of Installed Capacity Payment Rates ("Statement") sets forth the applicable payment rates per kilowatt of demand per month for the respective Capability Period. Separate rates will be applicable to Customers with in-city capacity and to Customers with capacity located in the balance of the Company's service territory. The Company, in its sole discretion, may file from time to time, but no more than once per month, payment rates per kilowatt of demand per month applicable to Customers who did not contract to provide capacity to the Company prior to the Statement's effective date. All rates will be filed on a Statement with the Public Service Commission no less than three days before commencement of the first month for which the rates will apply.
