#### H. Reconnection of Service:

When a customer's service is terminated in accordance with Rule 8.E.1 for non-payment of bills, the Company reserves the right to refuse to furnish service to:

- (1) A residential customer at the same or any other location until:
  - (a) The Company receives the full amount of arrears for which service was terminated; or
  - (b) The Company and the customer reach agreement on a deferred payment plan and the customer pays a down payment, if required; or
  - (c) The Commission or its designee so directs; or

  - (e) The Company has notice that a serious impairment to health or safety is likely to result if service is not reconnected. Doubts as to whether reconnection of service is required for health or safety reasons shall be resolved in favor of reconnection.
  - (f) The Company will reconnect service to any customer that was suspended as a result of a Supplier-initiated request for suspension for non-payment of commodity service upon the expiration of one year after termination of commodity service by the Supplier.
