GENERAL INFORMATION - Continued

Customers qualifying for the EJP discount will be eligible to qualify to receive a certificate of tax credit from the State of New York each year which will entitle the customer to receive service at a discounted rate for the following 12 month period commencing with the next full billing period after the utility receives the certificate of tax credit. Service at discounted rates will end no later than fifteen months after receipt of such notification. The Company shall receive a copy of this certificate of tax credit prior to billing the discounted rate.

In addition, qualifying customers must keep their gas account in good standing for the discounted delivery rate to begin and continue.

Rate

Service Classification Nos. 2 and 17-2:

The customer's monthly base load consumption will be billed at the applicable Service Classification No. 2 or Service Classification No. 17-2 rates and charges.

For customers meeting the increased consumption criteria stated above, the following delivery rate shall apply to any gas consumption above the stated monthly base load:

\$0.074 per therm.

In addition to the delivery rate stated above, all consumption above the monthly base load will also be subject to the other applicable Service Classification No. 2 or Service Classification No. 17-2 rates and charges.

All monthly gas consumption not meeting the discount qualifications of this Rider shall be billed at the applicable Service Classification No. 2 or Service Classification No. 17-2 rates and charges.
