SERVICE CLASSIFICATION No. 3 - Continued**RESIDENTIAL AND RELIGIOUS - HEATING FIRM SALES SERVICE****Rate - Continued****Minimum Charge Applicable to Large Dual-Fuel Customers - Continued****(3) Respecification of Annual Allocation:**

A dual-fuel Customer will be responsible for notifying the Company of a change in its gas-burning equipment capability that could result in an increase in its Annual Allocation. If such Customer's Annual Allocation is increased, the Customer will be subject to the applicable monthly minimum charge beginning with the Customer's first bill for service taken entirely after the following January 31. Absent notification, if such Customer's actual annual use exceeds the Customer's Annual Allocation in any 12-month period ending December 31, the Customer will have its Annual Allocation increased to the level of the Customer's actual consumption for that period and will be subject to the applicable monthly minimum charge beginning with the Customer's first bill for service taken entirely after the following January 31.

A dual-fuel Customer may reduce its Annual Allocation by demonstrating to the Company that the reduced allocation is realistic in terms of the Customer's gas-burning capability.

Any Customer increasing or decreasing its Annual Allocation must permit Company representatives access to the Customer's facilities without notice for verification of the Customer's dual-fuel capability.
