(D) Meter Reading and Billing Period - Continued

The Company shall attempt to obtain an actual meter reading for each scheduled meter reading for each Customer account by a visit to the Customer's premises. In the case of non-residential Customers the visit shall be between 8 A.M. and 5 P.M. on a business day.

Where the Company has billed a non-residential Customer's account based on the readings of a remote registration device for six consecutive months, the Company shall, at the time of every subsequent reading attempt and, until successful, try to gain access to and read the meter.

Unless otherwise specified under this Rate Schedule, the following provisions will apply to billing of changes in rates and proration of monthly rates and charges:

1. Rates and charges shall apply to service rendered on and after the effective date of those rates and charges.  - (ii) rates and charges assessed per bill or per calendar month will not be prorated; and
 - (iii) rates and charges assessed per therm will not be prorated.
