SERVICE CLASSIFICATION NO. 2

APPLICABLE TO USE OF SERVICE FOR:

Use of Natural Gas for any and all purposes, at one location, to any large volume customer, when the Company has executed a separate Service Agreement with the customer for service in the form prescribed under this tariff for service under this rate schedule.

CHARACTER OF SERVICE:

Interruptible. Natural Gas averaging not less than 1,000 BTUs per cubic foot.

Available in instances where the Company's facilities and gas supply are adequate or where required facilities and gas supply can be economically provided to supply the customer's requirements and when such service will not unduly jeopardize the general character of service to existing customers.

Gas sold hereunder to customer shall be subject to curtailment and interruption during periods of peak demand as determined by Company in its sole discretion. Customer agrees that Company shall not be liable for any loss or damage that may be sustained by customer for reason of any curtailment or interruption of service.

RATE PER MONTH:

All MCF, per MCF - \$0.763

GAS ADJUSTMENT:

The charges set forth herein shall be subject to a gas adjustment per 1,000 cubic feet of gas supplied as explained on Leaves No. 81 through No. 84.

TERMS OF PAYMENT:

Bills are computed at the above rate and will be accepted on or before twenty-three (23) days after the date the bill is mailed; otherwise, the amount including late payment charge of 1 ½% per month becomes due and payable.

Service to state agencies will be rendered in accordance with the provisions of Article XI-A of the State Finance Law (Chapter 153 of Laws of 1984, effective July 1, 1984).
