

PSC No. 1 - WATER**COMPANY: NEW YORK AMERICAN WATER COMPANY, INC.****INITIAL EFFECTIVE DATE: OCTOBER 14, 2012**

Issued in compliance with order in Case 12-W-0217 dated 08/17/2012

LEAF NO.: 39**REVISION: 0****SUPERSEDING REVISION:**

- .1.2 Facilities outside highway: Where such facilities will be constructed without the territorial limits of any street, avenue, road or way or other public place open for highway purposes, the applicant shall be allowed to construct the facilities, where such arrangement results in lower cost or better time performance, using contractors and materials acceptable to the water-works corporation, pursuant to its water system specifications, based on safety and compatibility and, as to contractors, reputable past performance, and subject to inspection and approval by the water-works corporation based on such specifications. The additional cost of said inspections is to be paid by the applicant.
- .2 Applicable to bona-fide owners or occupants of property abutting on any street, avenue, road or way that is for any highway purpose under the jurisdiction of the legislative body of any city, town, village, county or the State of New York, or other public place open to the general public for highway purposes, provided all necessary easements are furnished without cost to the Corporation.
 - .2.1 Upon written application of the owner of any such street, avenue, road or way or other public place within 75 feet of any water main of the Corporation, it shall furnish, place and construct at its own cost and expense such mains and facilities as are necessary to render the service requested. Said cost and expense shall include the amounts paid to governmental authorities for permits to do the work required and all paving charges for the repair or replacement of the street or sidewalk which may be disturbed in the course of such installation that are legally imposed by any governmental authority.
 - .2.2 Whenever an owner or occupant of any property abutting on any street, avenue, road or way or other public place as previously defined, in which there is no water main within a distance of 75 feet from said property, makes a written application for service to the Corporation, the Corporation will extend its system so as to service said property provided
 - .2.2.1 that the Corporation has authority to render service to said applicant,
 - .2.2.2 that said applicant shall first have assured the Corporation by furnishing satisfactory proof that he will be a reasonably permanent customer by meeting the following conditions:
 - (a) the applicant will own or occupy a premises in a permanent structure and on a building lot which both comply with governmental building codes and requirements;
