

PSC NO. 4 GAS LEAF: 141.1
ORANGE AND ROCKLAND UTILITIES, INC. REVISION: 5
INITIAL EFFECTIVE DATE: December 1, 2009 SUPERSEDING REVISION: 4

SERVICE CLASSIFICATION NO. 8 (Cont'd.)

SPECIAL PROVISIONS: (Cont'd.)

(G) Provisions Relating Interruptions

(1) Failure to Interrupt

Customers that fail to fully interrupt their use of gas for any two interruption periods (including any Company announced planned interruptions)("two-violation rule") during each Winter Period will thereafter be ineligible for service hereunder and will be transferred to Service Classification No. 1, 2, or 6, whichever is applicable, commencing with the first billing month following the month in which the second violation occurs, unless the Company has received written notification requesting that the service be disconnected and the Company has verified that that it has been disconnected and locked. A customer's failure to fully interrupt its gas use during an interruption will not count towards the two-violation rule if it qualifies for the one-time exception rule described below. Customers removed from this Service Classification because of the two-violation rule will be ineligible for service under this Service Classification for the remainder of the current Winter Period plus the next twelve succeeding months. For periods thereafter, the customer may reapply for service under this Service Classification not less than ninety days prior to the proposed commencement date, except that the customer may not request a commencement date that falls within the Winter Period.

A customer's failure to interrupt its use of gas due to inoperable alternate fuel or alternate energy facilities (excluding, for purposes of this paragraph, associated customer-installed phone lines) counts as a violation towards the above-described two-violation rule, except as follows.
