BACK OUT CREDIT

The provisions of the Company's Back Out Credit shall apply to the energy deliveries (kWh) of customers participating in the Retail Access Program, as described in General Information Section 35.

MARKET PRICE CHARGE AND MARKET PRICE ADJUSTMENT

Effective October 1, 2011 all interval metered customers whose Parent Service Classification is S.C. No. 2 with demand exceeding 500 kW in any two of the previous twelve months (as measured semi-annually for the twelve months ending June and December, but initially for the twelve months ended August 31, 2009) and electing to purchase their energy requirements from the Company will be billed for these requirements based on the charges set on an hourly basis according to the market price of electricity described below. All other interval metered customers whose Parent Service Classification is S.C. No. 2 may elect to purchase their electricity requirements from the Company pursuant to the provisions of the Hourly Pricing Provision as described in Special Provision 2.11 of Service Classification No. 2. Customers whose Parent Service Classification is S.C. No. 3 or 13 and who elect to purchase their electricity requirements from the Company will be required to make these purchases pursuant to the provisions of the Hourly Pricing Provision as described in Special Provisions 3.8 and 13.9 of Service Classification Nos. 3 and 13, respectively. The provisions of the Company's Market Price Charge and Market Price Adjustment, as described in General Information Section 29, shall apply to all other electricity provided and sold by the Company under this Service Classification, and shall be based on Parent Service Classification designation. Customers participating in the Retail Access Program, as described in General Information Section 35, shall not be subject to these charges.

MERCHANT FUNCTION CHARGE

The Merchant Function Charge, as described in General Information Section 36.E, shall apply to all electricity delivered under this Service Classification.

NEW YORK STATE ASSESSMENT

The New York State Assessment, as described in General Information Section 36.F, shall apply to all electricity delivered under this Service Classification.

INCREASE IN RATES AND CHARGES

All rates and charges billed under this Service Classification, including the Minimum Charge, shall be increased pursuant to General Information Section 30 to reflect the tax rates applicable within the municipality where the customer takes service.

MINIMUM CHARGE

The Customer Charge plus the Contract Demand Charge. In addition, effective October 1, 2011, customers whose Parent Service Classification is S.C. No. 2 with demand exceeding 500 kW in any two of the previous twelve months (as measured semi-annually for the twelve months ending June and December) will be assessed an incremental monthly charge as set forth in Special Provision 2.11.

TERMS OF PAYMENT

Bills are due when personally served or three days after mailing. Bills shall be subject to a late payment charge in accordance with General Information Section 16, if payment is not made by the date specified on the bill which date shall be not less than twenty (20) days from the due date.
