GENERAL INFORMATION

2. General Rules, Regulations, Terms and Conditions: (Cont'd)

III.ii. Revenue Decoupling Mechanism (Cont'd)

differ from allowed delivery service revenues. Any over or under collection at the end of the reconciliation period will include simple interest at the prevailing other customer capital rate issued by the Commission. The shortfall or excess will be surcharged or refunded to customers on a volumetric basis over the 12-month period commencing with the first billing cycle in April. The Company will file a Statement showing the RDM surcharge or refund rate not later than 45 days after the end of the year. The rate per therm will be developed using a forecast level of throughput per customer. All refunds or surcharges will be subject to reconciliation and included in the subsequent RDM reconciliation.
