B. Special Provisions

The provisions designated in this section are applicable to this service classification. The full definitions of the terms and conditions identified below are provided for in General Information, Section V.

1. Additional Equipment
Energy for additional traffic control devices will be supplied upon customer's written request. Such written requests will be appended to customer's Form "TC" - Application for Service. Written notification will also be required when traffic control devices are to be removed. A revised Change Request Authorization Form (CRAF) will be required. If attachment to distribution poles is desired, customer will also be required to enter into, or modify, an attachment agreement which states the terms and conditions under which attachments may be made. When additional Company facilities are required for lighting service, Company will install such facilities at customer's expense.
2. Customer Equipment Identification
Reference General Information, Section V.
3. Customer Responsibilities
Reference General Information, Section V.
