SERVICE CLASSIFICATION NO. 6 (Continued)

E. Other Charges and Credits

Reference General Information, Section V.

1. Outage Credit Allowance

An outage credit allowance of twenty four cents (\$0.24) per lamp per night will be provided following the customer's proper notice to the Company of the luminaire malfunction (outage). The outage credit allowance will be provided for the period following the date of proper Company notice until the date the facility is operating. Reference General Information, Section V.

2. Lighting Service Charge

Reference General Information, Section V.

Lighting Service Charge, per occurrence

\$127.04

3. Convenience Outlet Charge

Service to convenience (festoon) receptacle outlets under this Service Classification is closed to new applications. The company will honor existing convenience (festoon) receptacle outlet service, located on existing lighting equipment or wood poles, per the written request of the customer for the purpose of providing auxiliary, unmetered, 120VAC electric service. The customer of record with the Company for the lamp maintenance is the responsible party for all energy related charges used through the outlet(s). The energy (kWh) used through the convenience outlet(s) is billed separately under an appropriate service classification as provided within the Company's Electric Tariff.

4. Relocation of Existing Facilities

Pole replacements necessitated by the installation of customer's street lighting equipment shall be performed by Company or joint owner at customer's expense. Reference General Information, Section V.

F. Increase in Rates and Charges

Reference General Information, Section IV.

G. Non-Standard Equipment

At the sole discretion and option of the Company, the Company will provide lamp maintenance, as defined within CHARACTER OF SERVICE, to customer's Company approved lighting equipment that is not compatible to Company facilities. The customer is responsible for providing non-standard material or parts to the Company.
